Leeds Minster is a great educational resource. The education programme is being developed to bring learning to life using the Minster as an inspirational resource, to develop and provide curriculum linked trails, tours and workshops for children and young people that are exciting and engaging – full of opportunities for first-hand discovery.

What's on offer?

We can offer a range of activities to enhance and supplement your teaching across the curriculum, especially

RE – Christianity, Places of Worship, Symbolism, Beliefs and Practices, Festivals, Crosses from around the World

History – Life in Victorian Times, WW 1 memorials – some work done in partnership with Leeds Museums and Galleries, Local area – looking at changes in Leeds

Please get in touch to discuss how we can bring the **new national curriculum** requirements to life with a planned visit tailored to your schools' individual need.
